

MADAME TOULOUSE CONTACT SHEET

I encourage and welcome contact with parents! Put this on your desk at work or on your fridge or wherever it will be handy. Together we can help your student reach his or her potential in French class! :)

Call me during school hours at 512-841-1936.

Email is my preferred mode of communication:

Check my website. Each class has a page with reminders, assignments and homework hints.

Come by for a conference. My conference periods are 4th period on A days (3:00-4:30) and 6th period on B days (11:05-12:40). Please call to schedule. My tutoring hours are M-TH 8:15-8:55am and lunch; some afternoons 4:15-5:00pm.

Students may also check Dropbox for access to the textbook, notes and worksheets, as well as links to certain assignments. Students may receive an invitation to my Dropbox by providing me their email address.

Finally, keep track of your student's progress by logging onto the Parent Cloud. I pride myself on keeping student averages accurate and up-to-date. If something seems amiss with grades or attendance, please email me right away.
